

# aggressive early.

@APPLIDVISIONBASEBALL

Here are four simple truths we can take from these two charts. ....

**1**

**Be selectively  
aggressive early in  
the count.**

**2**

**Swing at strikes.**

**3**

**Do damage on  
pitches up in the  
zone.**

**4**

**When you get a  
good pitch to hit,  
don't miss.**
